Who is Alyshka?

Alyshka, born and raised in France, is a new rising star in the psychedelic music scene. Her musical journey began early, nurtured by a deep love for music mastered soon on drums and the transverse flute from her young age. After years of exploring parties and festivals, absorbing diverse energies and inspirations, Alyshka launched her own psytrance project and now, she is naturally finding her place in France's underground scene. Each performance is a narrative of a story, where groovy music collides and blends with people's energies and vibes, creating a unique dancefloor adventure
