## Who is Gozonji?

Straight outta Japan and deep in the psychedelic vortex, Gozonji slices through the psytrance universe with razor-sharp music and intergalactic grooves straight from Japan. For the past years, he's been cooking up a mind-bending fusion of twilight, forest and full-power underground music. His sound is a wild trip through deep atmospheres, twisted rhythms and pure high-frequency madness. Each track is an explosion of raw energy, cosmic storytelling and untamed creativity, taking you deeper into the vortex. Each track can be defined as an explosion of raw energy, cosmic storytelling and untamed creativity, taking psytrancers deeper into his musical vortex.
